Application No. 10/044,777

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on February 9, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below.

On August 1, 2003, an Information Disclosure Statement (IDS) was filed. A review of the Image File Wrapper reveals that the IDS has not been considered by the examiner. The IDS needs to be considered by the primary examiner with respect to compliance with the criteria set forth in 37 CFR §§ 1.97 and 1.98. A communication notifying appellants of the primary examiner's decision is required.

Accordingly, it is

ORDERED that the application is returned to the Examiner for consideration of the IDS, and for further action as may be appropriate.

It is important that the Board of Patent Appeals and Interferences be informed promptly of any action affecting the appeal (i.e., abandonment, issue, reopening prosecution).
